

# Showroom chairs

## Reception desk chairs

- | Adjustable seat and back. Adjustable back height. Footrest and roller base
- | With Camira Xtreme fabric, olive green, single shade (Pantone 581C). Ref. D&C operator bridge
- | Width: 570 mm, Height: 1030 / 1210 mm  
Base: 650 mm
- | Supplier: Eurosit

## Brand bar stool

- | An element of the brand bar, the stools allow the customer to sit to consult the brand information on the tablets and communication sets
  - | A minimum of 4 individual stools are required
  - | Supplier: SILVERA
- | Layout recommendation:**  
Between 4 and 6 individual stools divided equally on either side of the Brand bar.

## Digital lounge chairs

- | As a component of the lounge, these must create a comfortable, welcoming and personalized atmosphere
- | There must be at least 3 individual cone armchairs with a central base, with fabric in 3 shades (apple, olive and khaki)
- | Width: 730 mm, Height: 810 mm, Depth: 660 mm
- | Supplier: Allermuir / Sorec

### **| Layout recommendation**

The lounge is positioned in front of the brand wall in the Renault Road. It can also be located in the after-sales reception.
