# **car covers in the delivery area**

description & main recommendations

edition v1i - march 2022

car covers in the delivery area

## description

### principle

Search for a low contrast between the emblem and the fabric background (around 15 to 25% in grey value).

Fabric cover dyed (or printed) in dark grey with a matt or slightly satin finish depending on the material.

Note. The fabric should not be 100% black.

### harmony

#### emblem

424 c pantone grey in matt or satin finish

#### dyed or printed fabric

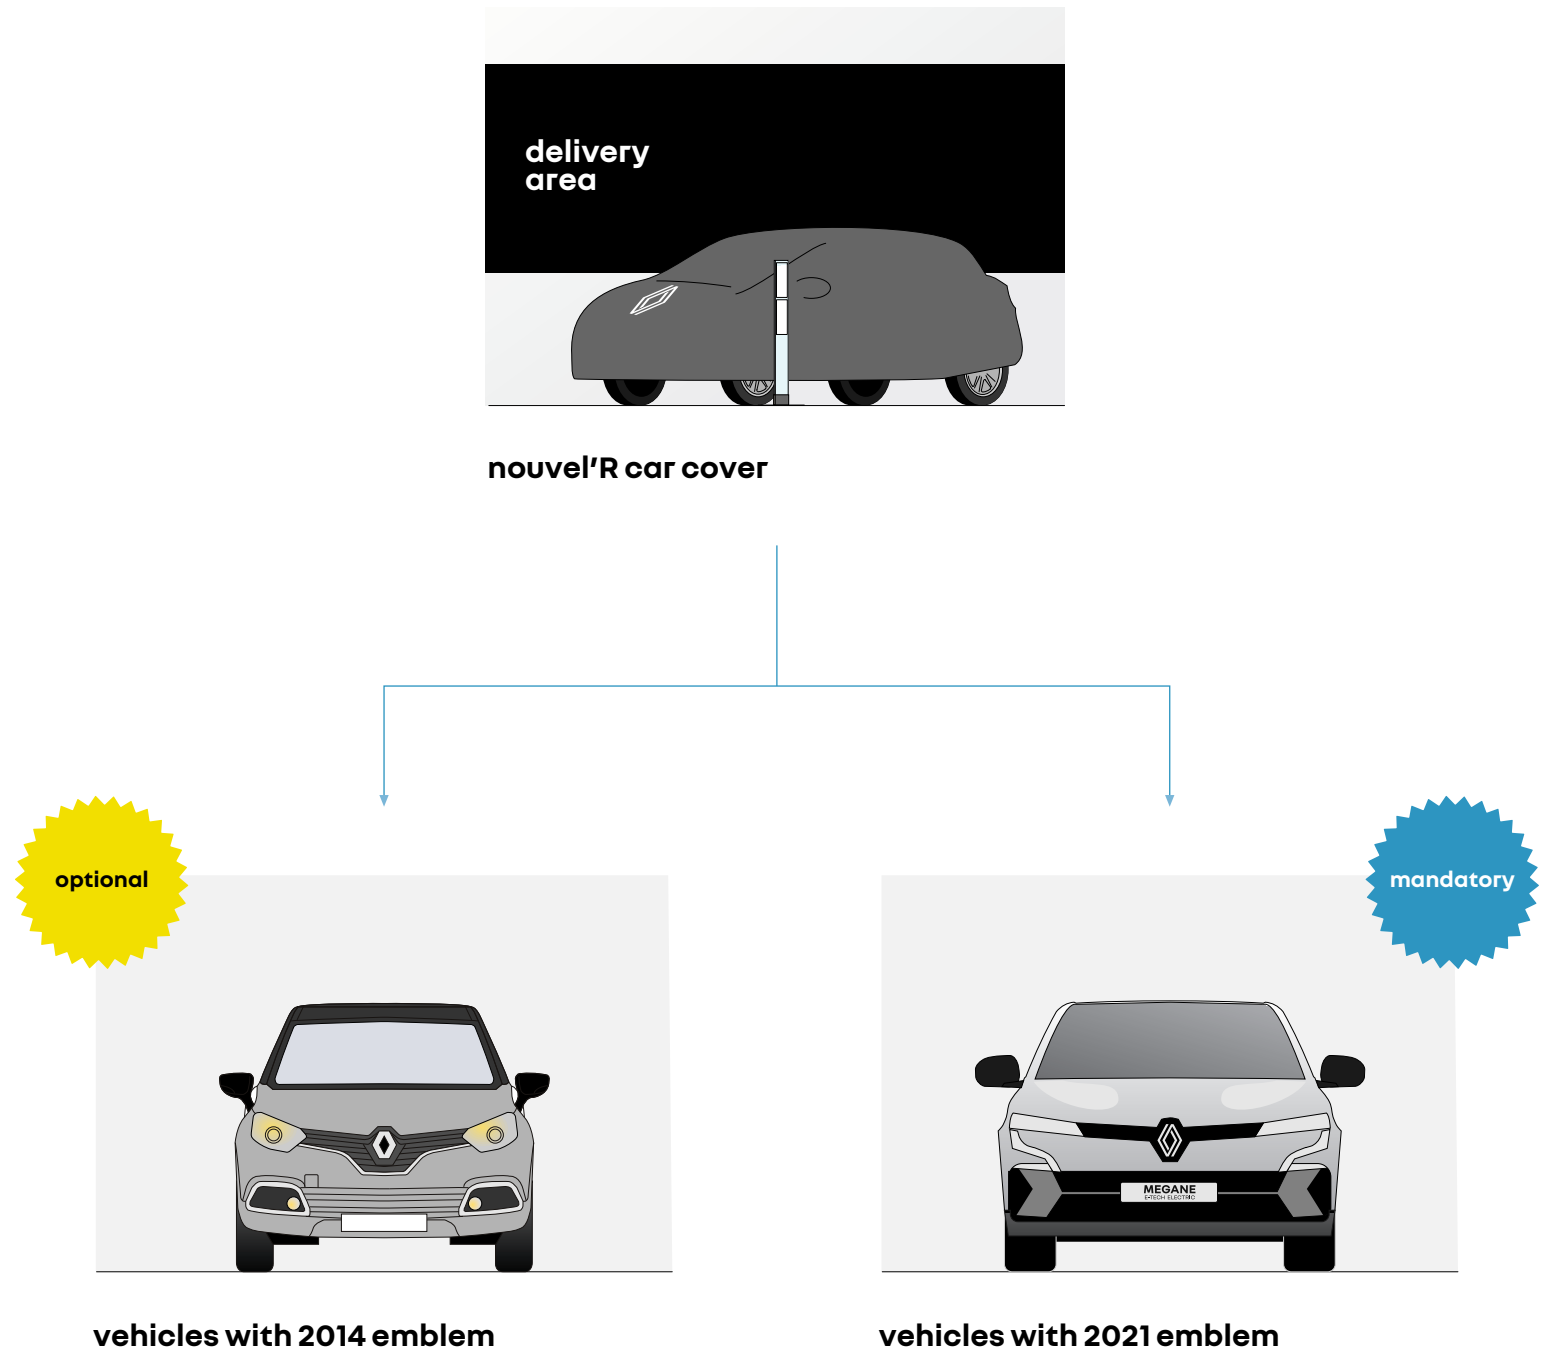

black pantone 7c in matt or satin finish

### order

- usual "Parts & Accessories" procedure
- BCB protection cover:  
**ref. 7711 948 830**

car covers in the delivery area

## use recommendations

### principles
